

Scott Prath

M.A., CCC-SLP, Vice President

Speech Language Pathologist

scott.prath@bilinguistics.com

Scott has been working as a bilingual speech pathologist in Austin, Texas since 2004 and is the Vice President of Bilinguistics.

He has worked in Early-Childhood Intervention and currently serves bilingual children in the schools and clinic setting. His research focuses on developing protocols, materials, and professional development to better serve special population such as Autism, VPI, and second-language learners.

Scott presents to Speech-Language Pathologists nationally and internationally, and translates for the Spanish-speaking community in Austin. His conversations and presentations are fun, circuitous rides that weave quotes, history, and humor into any discussion. Scott is masterful and methodical at turning the passions and interests of the staff into the books, presentations, and courses that you see throughout this website.
